

THE MOST ENGAGING EXCITING EDUCATIONAL EBOOKS AVAILABLE

Get ready to Read & Learn Along!

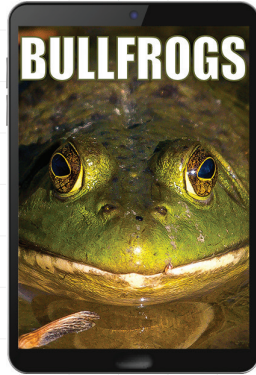

Schoolwide, Inc., a renowned literacy curriculum developer, introduces its new line of Read & Learn Along eBooks. Each Read & Learn Along features a unique and interactive dual narration experience. One voice narrates the text, while a second, “teacher,” voice engages readers with prompts and questions designed to hone reading and language comprehension, build vocabulary and content knowledge, and model critical thinking. Every Read & Learn Along also includes a multiple-choice quiz, written response, and supportive teaching resources and activities developed by literacy experts.
